

Dear Friend of the Mid-Texas Symphony:

The Mid-Texas Symphony Orchestra is excited to be entering its 44th season of exceptional music, and the New Braunfels Guild Chapter is right here ready to support them! The Symphony was formed in 1978 with the New Braunfels Guild Chapter being founded in February 1979. The volunteer members of the Guild take an active role in fundraising, in sponsoring educational programs (we hope to begin again this year bringing over 2000 local elementary children in the fall to a concert), and in providing hospitality for the musicians. The Debutante committee has been very active and is welcoming a delightful group of debs and young men for the upcoming season. We would appreciate your continued membership in this organization as we work to support the Mid-Texas Symphony Society in bringing world-class music to our local community. Please visit our website at [mtsympphony.org](http://mtsympphony.org) for full details of the upcoming season.

Attached is a membership form for the 2021-2022 season. Please take a few minutes to fill it out and mail it in with your check to the address listed on the form or you may bring it to the Guild meeting on Monday, June 21 at 6:00 PM at Adobe Verde in Gruene. We will also have a Square available at the meeting to use as a form of payment if you prefer.

Return your membership form quickly to ensure you receive your choice of committees and that you get your name in our annual membership directory which will go to print on July 15. If you have any questions, please contact one of the membership co-chairs listed below. We are all looking forward to a vibrant 2021-2022 season after a somewhat slow year due to COVID-19. Let's join together, fill out, and turn in our membership forms to make the best year for the New Braunfels Guild.

With warm regards,

Shirley Kivlin
